COOLED TRANSPORTED SEMEN CONTRACT

I hereby agree on this _____ day of _____, 20_____, to breed the Mare named

Below to the Stallion_____ Reg. #_____ using

Cooled transported semen for the 20___season to the following conditions:

Name of Mare_____

Registration #_____

Year Foaled_____

1. The Stallion Fee is \$_____ including a nonrefundable booking fee of \$_____, which shall be payable upon execution of this contract. The balance shall be payable a minimum of ten (10) days before semen will be shipped.

2. Mares on the premises of the breeding facility will have a breeding priority on any given breeding day; therefore, we make no guarantee cooled semen will be available for a specific day.

3. There is a \$_____ charge for each shipment of cooled transported semen with a limit of four shipments per breeding season per mare. The first \$_____ shipping fee is due ten (10) days prior to the first shipment of cooled transported semen. If the mare has not conceived after the fourth shipment, Mare Owner may send the mare to the breeding facility of said Stallion to be bred in that same breeding season.

4. The breeding facility will pay the shipping charges on normal (Priority Overnight) shipments on United Parcel Service (UPS) or Federal Express (Fed Ex).

5. A request for shipment of cooled transported semen must be made at least 24 hours prior to shipping time. Cancellation must be made by 8:00 a.m. shipping day.

6. A LIVE FOAL GUARANTEE will only apply to those mares that conceive and carry a pregnancy at least 60 days from insemination. A confirmation of pregnancy must be submitted from a veterinarian in the form of a documented ultrasound picture. Return breedings will only be honored if the mare is brought to the stallion's breeding facility the following breeding season. A rebreed service charge of \$_____ will be charged on all return breedings. No substitutions of mares will be allowed for cooled transported semen. If a rebreed applies, substitutions will be allowed only if the substitute mare is
